PRIORITY ENROLLMENT

Kindergarten - Sixth Grade

Briarwood offers limited priority enrollment for presently enrolled students, provided the privilege is exercised within the priority enrollment period (by January 31 each year). Limited Priority Enrollment for qualified, new students in kindergarten through sixth grade is offered, **as space is available**, to students who are siblings of currently enrolled students, children of Briarwood graduates, and children of Briarwood Presbyterian Church members. The enrollment privilege must be exercised within the priority enrollment period (by January 31 each year). Qualified students are those who have passed the admissions test and met all of the requirements for enrollment.

Junior High and High School

Enrollment of all new students for grades 7 – 12, including the priority groups listed above, is determined by different procedures and requirements. The procedures and requirements are available from the Admissions Director (205-776-5812).

LUNCH CHARGES

Students may bring lunch to school or may purchase a full hot meal or individual food or drink items in the school cafeteria. Each student is provided a lunch card that is used like a debit card, charging lunches against the family's lunch account. Purchases are processed through a point of sale system which allows parents to monitor purchases daily on the school's Renweb system. Parents are required to deposit money in the family lunch account in advance of purchases and must maintain a positive balance at all times.

PAYMENT OPTIONS

Each family has **two** school accounts: (1) a declining balance account for lunch charges and (2) a general account for tuition, fees and all other non-lunch items. Payments to the school may be made by check or cash. Parents may pay using an e-check on the school's Renweb system, but there is a service fee for this option.

OTHER CHARGES AND REFUNDS

Refunds

Application Fees are **non-refundable**. The Initial Registration Fee, Student Commitment Fee and advance tuition payments are refundable if (a) the family moves out of the area before the opening of school, or (b) the school fails to provide enrollment to the student.

The parent or guardian commits to pay the annual tuition when a student is enrolled. Withdrawal of a student prior to the start of school or at any time during the school year does not void the financial obligation to the school. Families who move from the school area during the school year are exempt from this obligation.

Late Payments

Tuition and fee charges are late if not received by the last day of the month. A finance charge of 1 1/2% (annual rate 18%) is assessed each billing cycle on a balance due from the previous billing.

Access to Renweb, report cards and transcripts are not provided for any students whose account is past due as stated in the school financial policies.

Returned Checks

A charge of \$25 is assessed for each returned check.
